- judge in Global smartphone applications festival
- Perfectly familiar with content production and marketing
- Speaker in the First Iranian Conference of Social Media Network

Specialties: Developing and proactively placing media content | International media relations | C-Suite media training | Social media tie-ins to global media strategies

I love to:

- sketch everything.
- imagine my ideas with detail.
- find reasons, the main ones not the obvious ones.
- ask WHY? HOW? a lot. (or google and A.I)
- turn those reasons, ideas and my imagination to a creative and practical solution.
- fail and then go to step one or may be three depends on the failure. :)
